He added that the evaluation exercise should be taken as an opportunity to place the college in the global arena. He implored the college to become visionary in this fast-changing world of digital technology. Apart from providing a degree college education should also focus on skill development programmes & some vocational courses i.e. Fashion designing, Art & Craft & Mass Communications etc. to become a lead institute in the courses for which there is a huge demand. He suggested that we should make a list of top 10-15 colleges around the world and see how they are reinventing themselves.

- 3) As per the decision of Govt. of Haryana the name of the college is named as "Maharaja Neempal Singh Govt. College, Bhiwani" vide its order No. 7/49-2018 C-1(4) Dated 13/2/2019. Consequently, it is decided to follow all types of correspondences with the updated name and wider publicity be made to aware every stakeholders to mention the updated name while corresponding with the college.
